General Guidelines

Player named first is to provide a marker for your game

Home player has the mat the first set, away player has the mat the second set

All shots count from End 1 and you will play 2 sets of 10 ends, 1 point for each set won, half a point if a set is drawn

All ends on both sets must be completed and club colours worn please

The top 3 players in each group qualify by rights for the knockouts. The best placed 4th finish also qualifies. That will be determined by points total, shot difference, shots scored, most wins, if all that is equal then there will be a play off of 10 ends between the players

Group games can be rearranged but the knockouts are at fixed times and dates please. **Please do not change the last group game unless you have an emergency nearer the time**

We have tried to allow in most cases for your prior commitments and for couples playing at the same time, it isn't always possible though

On completion of your game, it is customary for the winner to offer drinks to the loser and the marker, that is then reciprocated by the loser and then the marker.

Please do not accept a drink if you are not offering one back, in that scenario, please buy your own drink

The draw for the last 16 will be made on April 16th after the games have been completed. All 16 names will go in the hat, you then get whoever you get!!!
